Oingo Boingo was an American new wave band, formed by songwriter Danny Elfman in 1979. As a rock band, Oingo Boingo started as a ska and punk-influenced new wave octet, achieving significant popularity in Southern California. During the mid-1980s, the band changed line-ups and adopted a more pop oriented style, until a significant genre change to alternative rock in 1994. At that point, the name was shortened to simply Boingo and the keyboardist and horn section were dropped. The band retired after a farewell concert on Halloween 1995.

Katchoo is a beautiful young woman living a quiet life with everything going for her. She's smart, independent and very much in love with her best friend, Francine Peters. Then Katchoo meets David, a gentle but persistent young man who seems determined to win her heart. The resulting love triangle is a touching comedy of romantic errors until Katchoo's ex-girlfriend comes looking for her and $850,000 in missing mob money. As her idyllic life begins to unravel, Katchoo discovers no one can be trusted. The past she thought she left behind now threatens to destroy her and everything she loves, including Francine.

Willow's story stretches back to old world Europe, where her skills as a healer and midwife brought charges of witchcraft. Tortured and sentenced to death, Willow stepped from the fires unharmed, saved by a real witch called Panacea. Moving to America and century of being her disciple led to mastering strong magic of her own. Then she discovered Panacea's true source of power and fled in fear.

Willow soon learned that she could draw mystical energy from the earth, from desire, from sex. She journeyed across the wilderness of early America to discover that the "savages" she'd heard about – the Native Americans – had their own powerful magicks. She learned, she grew, she mastered it all.

Cut to: Today. In 2025, her black at familiar Eddie ever close by, Willow has opened a gentleman's club bearing her name. Exotic dancers entice men's sexual appetites but leave them unsatiated – and Willow feeds on that power.

Through it all, Willow gains magical energy and maintains her youth and beauty. Until Panacea returns – seeking revenge for being spurned and to rip that power from Willow's beating heart.

Experience the groundbreaking, Eisner Award-winning series that redefined superhero and sci-fi comics in this definitive deluxe hardcover omnibus! The first volume of the Nexus omnibus series collects the first 29 issues of Mike Baron and Steve Rude's iconic cosmic saga. This oversized, full-color edition brings together the thrilling origin and early adventures of Nexus, a cosmic vigilante sworn to bring justice across a sprawling universe where power, politics, and prophecy collide. Follow Horatio Hellpop, a man fused with destructive energy to punish the killers he hunts, as he confronts tyrants, cults, and cosmic conspiracies threatening the stability of the galaxy. With Steve Rude's dynamic artistry and Mike Baron's masterful storytelling, this collection is a stunning portrait of heroism and moral complexity that has captivated fans and critics alike. Featuring the first 29 issues of the groundbreaking series, this volume delivers over 800 pages of unforgettable science fiction adventure complemented by detailed covers, rare extras, and behind-the-scenes insights that celebrate the legacy of this trailblazing title. Acclaimed comics writer Chris Claremont calls Nexus "a book that makes one want to come back next issue and the next," and Harlan Ellison proclaimed "I here with declare to an unbridled enthusiasm for Nexus!" Whether you're a longtime fan or new to Nexus, this premium deluxe omnibus is the ultimate way to own the complete first chapter of a legendary series that continues to inspire creators and readers worldwide. Collecting NEXUS (vol.1) #1-3 and NEXUS (vol.2) 1-26, this volume marks the perfect gateway into a universe where courage and cosmic forces collide!

The Dragon Folk were shunned by their four-legged ancestors, but they are revered and feared by their insidious allies in the cult known as The Scarlet Circle. Ruthless, razor-taloned, and commanding the skies with a twelve-foot wingspan, they are the air support needed in the coming war against the humans for rulership of the planet Earth. A sentient dagger named Crease, a four-chambered revolver with a big boom, and an irreverent smirk that says, "I really don't care" means Witch Hunter plans to send the queen and her island to the bottom of the sea. In the center of Hallowed Heights, a towering wall divides the city. On one side of the city live the middle and upper class humans. On the other side of the wall, in the region known as the "Blood Zone," dwell the poor, the homeless, the hopeless – and the vampires. The only thing standing between the bloodsuckers and their intended prey is a young man known only as Twilight Grimm. His silver blades and blessed bullets make him the most loved – and the most feared and hated – citizen of the Blood Zone!
